The WEST Program

Warehousing and Employability Skills Training

Intake # 1 – December 7th, 2020

| Intake # 2 – April 12th, 2021

The W.E.S.T. Program is an 18-week Employment Program designed to support participants facing barriers to employment to gain the confidence and skills necessary to obtain sustainable employment in warehousing and manufacturing positions such as material handlers, shipping and receiving clerks, purchasing and inventory control workers, storekeepers, parts persons and/or shipping supervisors. At no cost to the participant, the Program provides 5 weeks of employability and life skills training, 4 weeks of occupational skills training, 4 weeks of work experience and 5 weeks of job search support. Upon completion participants will have 7 industry specific certifications along with the life skills and work experience to be successful in their new career.

What this Program offers You:

- \$300 weekly living allowance provided to participants while in program
- Transportation costs included
- Employment counselling
- Life and employability skills
- On the job work experience
- 32 hours of warehouse theory
- 7 industry-specific certifications including First Aid, WHMIS, Food Safe, H2S Safety, Confined Space Awareness, Forklift Class 5, Pallet Jack Class 3
- Job start supports provided including work wear, and travel costs

Are you Eligible?

- ✓ Do you need on-the-job work experience and skills training?
- ✓ Are you willing to commit to 18 weeks of full-time classroom and practical training?
- ✓ Are you on EI or received EI in the last 5 years or have you earned more than \$ 2,000 in insurable earnings and paid employee EI premiums on those earnings in at least 5 of the last 10 years OR are you a BC Employment and Assistance client with a Persons with Disabilities (BCEA PWD) designation?
